Ayer's Ague Cure,

Has been widely used during the Has been widely used during the last twenty-five years, in the treatment of these distressing diseases, and with such univarying success that it has gained the reputation of being infailible. The shakes, or chills, once broken by it, do not refurn until the disease is contracted again. This has made it an accepted remedy, and trusted specific for the Fever and Ague of the West, and the Chills and Fever of the South. Chills and Fever of the South. Chills and Fever of the South.

Ayer's Ague Cure eradidates the nox'ous poison from the system, and leaves the patien

poison from the system, and leaves the patien as well as before the attack. It thoroughly expels the disease, so that no Liver Complaints. Rheumatism, Neuraigia, Dysentery or Febility follow the cure. Indeed, where Disorders of the Liver and Bowels have occurred from Missmatic Poison, it removes the cause of them and they disappear. Not only is it an effectual cure, but, if taken occasionally by patients exposed to malaying it will ex-

is it an effectual cure, but, if taken occasionally by patients exposed to malaria, it will expel the poison and protect them from attack. Travelers and temporary residents in Fever and Ague localities are thus enabled to defy the disease. The General Debility which is so spt to ensue from continued exposure to Malaria and Miasm, has no speedier remedy.

For Liver Complaints, it is an excellent remedy. PREPARED BY
